**Re. : Guidance on the Special Grace bestowed through the Four Great Items of Cheon Il Guk and Holy Wine Ceremony**

May the Heavenly Parent and True Parents' blessings and love be with all regions and leaders in the mission fields.

Following True Father's cosmic-level ascension, a new era was begun on the foundation of True Mother's profound devotion in *Bonhyangwon*. International HQ would like to announce a special grace bestowed through the 'Four Great Items of Cheon Il Guk and the Holy Wine Ceremony.' All leaders are strongly encouraged to guide all concerned blessed families to participate and make a new beginning.

## **1. True Parents' Benediction on the Original Holy Items of Cheon Il Guk**

"Once again, the Heavenly Parent has bestowed His compassionate grace and laid the condition for the blessed families to uphold the wishes of the True Parents. Through this grace, the blessed families can establish the standard of faith that is 90 degrees straight and without shadow, the standard of true blessed families, and become the true citizens of Cheon Il Guk, blessed children who fulfill their mission and responsibility. Please bless this occasion so that these blessed children can be born anew as the children of Unification who can fulfill their responsibility and realize the Heavenly Parent and True Parents' wish, which is to embrace all 7.3 billion people around the world. Once again, I ask You, Heavenly Parent, in the name of True Parents that through these holy items, blessed families can be born anew and can ascend to the eternal *Bonhyangwon* with no shadow or blemish. Please grant that these blessed children can ascend to the eternal *Bonghyangwon* with no traces of the Satanic sphere. I know that these holy items are the grace of blessing that will allow these children to ascend in the eternal homeland as the last true children. Please grant us your hand of grace so that all the children of the Unification movement are grateful for these holy items and your children will offer their last measure of effort and fulfill their responsibility so that all 7.3 billion people around the world can come within the embrace of True Parents and these children can proudly be remembered in history. I pray these things in the name of True Parents. Aju." [True Mother's prayer on 3.15 by the Heavenly Calendar in the 4th year of Cheon Il Guk (April 21, 2016)]

## 2. Providential Background

- A. On January 13, 2013 by the Heavenly Calendar, True Parents hosted the ‘Cheon Il Guk Foundation Day Registration Blessing Ceremony’. Through this blessing, True Parents unconditionally bestowed the grace of returning to the original Garden of Eden. Through the unconditional love of True Parents, blessed families could return to the era of Heavenly Parent’s direct dominion and walk the path befitting the era of Cheon Il Guk.
- B. True Parents of Heaven, Earth and Humankind proclaimed VISION 2020 to enable the settlement and firm establishment of Cheon Il Guk. Three key policies were announced for this vision, namely, “Witnessing,” “Creating an environment for witnessing,” and “Raising future talent.” Furthermore, True Parents have been leading the providence to restore all humanity through Heavenly Tribal Messiah activities. In particular, following True Father’s ascension, True Mother offered profound devotion for three years in a state of absolute oneness with True Father. True Mother offered this devotion on behalf of all humanity and participated in the last measure of filial devotion True Father offered to the Heavenly Parent. Furthermore, on the foundation of these devotions, True Parents hosted the historic 3<sup>rd</sup> anniversary of Foundation Day centering on True Parents’ holy birthday.
- C. True Mother instructed that the holy birthday of the only begotten son and only begotten daughter as well as the holy wedding of True Parents be celebrated. These celebrations helped members reminisce on the meaning of these events and during the 56<sup>th</sup> anniversary of True Parents’ holy wedding (held on March 16, 2016), True Parents bestowed the Cheon Il Guk holy wine and explained that through this special holy wine, blessed families should completely purify themselves for the lives they led until now since the Cheon Il Guk coronation ceremony, make a new determination, and make a new start through the four years of hope for the victory of VISION 2020.
- D. In order to forgive and embrace blessed families once more, True Parents had to bear an unimaginable ‘cross of love.’ Let us remember this special grace bestowed by True Parents through this special holy wine ceremony, repent for past mistakes, and express our gratitude by contributing to VISION 2020 through victorious heavenly tribal messiah activities.

## B. Purpose in Bestowing the Grace of the Four Great Holy Items of Cheon Il Guk

- 1) Cheon Il Guk Holy Items of the perfection level: True Parents made the very first holy items during their Holy Wedding on March 16, 1960 and bestowed them at the formation-level. On June 13, 2006, True Parents presented us with holy items at the growth-level through their victorious Coronation Ceremony and Entrance into Cheon Jeong Gung Palace. Finally, during the 56<sup>th</sup> anniversary of their Holy Wedding, True Parents bestowed Four Great Holy Items of Cheon Il Guk Holy at the perfection level.
- 2) This grace that will enable us to be reborn in the original Garden of Eden and enter the eternal *Bonhyangwon* in a state of 90-degree alignment with Heaven and traces or shadows of Satan.
- 3) This blessing is a special grace that will enable us to become true children.
- 4) Moses received the tables with the 10 Commandments, an unchanging symbol from Heaven, while praying fasting for forty days on Mt. Sinai for the sake of the Israelites in the wilderness. Likewise, the Four Great Holy Items of Cheon Il Guk are the ‘heirlooms’ to be cherished by all citizens of Cheon Il Guk. They have been bestowed to us as symbols of Heavenly Parent and True Parents as well as a special grace that will retain heavenly fortune and stop all satanic intrusions.

Items of Cheon Il Guk' and the 'Holy Wine Ceremony', must first stand on the foundation of having completely repented for all past mistakes in their lives and faith.

## 2) **Cheon Il Guk Holy Salt**

- This grace that will enable those who ascend to the spiritual world to repent for mistakes committed while on earth, purify aspects of their lives that were wrong, and enter the spiritual world in the position of the original Adam and Eve.
- This grace will sanctify the abode and all items purchased by a Cheon Il Guk citizen, thereby setting the standard for the Heavenly Parent and blessed families to find holy rest (Sabbath).

## 3) **Cheon Il Guk Holy Candle**

- The Cheon Il Guk holy candle reflects the hope we have of expanding the substantial Cheon Il Guk, which began on Foundation Day, to the nation, the world and finally to the cosmos. Hence, blessed families must light these holy candles, endeavor to become the salt and light that will brighten the world through lives of true love, and offer conditions to restore the family, tribe and nation.

## 4) **Cheon Il Guk Holy Earth**

- The Heavenly Parent created man by forming him with dust from the ground and breathing life into him. Thereafter, the Heavenly Parent called man his body. Hence, had man not fallen, Heavenly Parent would have dwelled within man's body and both would have reached complete unity. Hence, the holy earth is a symbol of man's recreation to a state prior to Satan's invasion; it also symbolizes man's restoration to the state of the Heavenly Parent's body. Moreover, the expanded concept of body – tabernacle – temple – heavenly nation found in the Old Testament is also included in the holy earth. To conclude, the holy earth is a symbol for the development beginning with me, my family, the church and expanding all the way to Cheon Il Guk.
